## FIBER OPTIC CABLE ABANDONMENT TERMINATION

Fiber Optic Cable Termination Abandonment

### DESCRIPTION

A Fiber Optic Cable Abandonment Termination provides a secure waterproof and depth-proof seal of a cable for long-term abandonment underwater. These terminations can be pulled up at a later date for use as spare cables for contingency or future expansion. They are simple designs and able to be installed quickly at the cable yard, system integrator yard or on the installation vessel with ease.

### KEY FEATURES

- Ocean depth
- Field installation
- Variety of jacket types and sizes
- Varying number of fiber optic tubes
- Field proven
